Leaders of Innovative Future-Focused Real World Learning

Dear USD 353 and Wellington Community,

After input from the USD 353 medical panel, we will continue operating in the yellow hybrid phase for next week, Oct. 12-16th. The panel is cautiously optimistic regarding how the numbers are trending. We will continue to watch the numbers closely in hopes that the positive trend will continue.

I remain encouraged by our students, staff, administration, parents and teachers positivity and dedication throughout all of this change. Let's continue to work together to ensure a successful year!

Sincerely,

Adam Hatfield

Superintendent, USD 353
