*Congratulations to the WHS Debate Teams that competed at the Kingman Invitational tournament on November 18th. Austin Fink and Austin Harriger took home 5th place medals with a win-loss record of 4-1 (all of the teams from 5th place to 2nd place were ties and had to be calculated multiple times to break the ties!). They are on the path to State Debate! Devin Dickinson and Gabe Hyer went 3-2, placing them 13th out of 44 teams that competed! Well done to everyone!

*NHS is sponsoring the Winter Formal on Friday, December 1st from 9pm to 11pm in the High Commons. Admission is \$5 at the door, or 5 canned good items. All food donations will be donated to the local food bank.

*Students- Did you see all the Naked Turkey's in the building? Buy feathers during your lunch for your teachers. The teacher's class with the most feathers will win a delicious prize. All donations will go to children and families in need.
