Sumner County Community Drug Action Team

April 2017

Our New Logo!

We are pleased to introduce you to the new Sumner County Community Drug Action Team logo! The suggestion was made at one of our Sector Rep meetings to incorporate the colors from all seven of the school districts SCCDAT serves. After some consultation with our graphic designer (Dena Martens—Wheatland Services) this is what we came up with. It is still being tweaked so we don't have it on our letterhead but on other printables yet but it soon will be. We hope you like it!

*Our Mission:
To combine efforts within the community to prevent and decrease drug use, and to increase the known factors that help to reduce the risk for drug, alcohol and tobacco use in youth.*

Founded and sponsored by NCADD, Alcohol Awareness Month was established in 1987 to help reduce the stigma so often associated with alcoholism by encouraging communities to reach out to the American public each April with information about alcohol, alcoholism and recovery. Alcoholism is a chronic, progressive disease, genetically predisposed and fatal if untreated. However, people can and do recover. In fact, it is estimated that as many as 20 million individuals and family members are living lives in recovery!

Alcohol Awareness Month provides a focused opportunity across America to increase awareness and understanding of alcoholism, its causes, effective treatment and recovery. It is an opportunity to decrease stigma and misunderstandings in order to dismantle the barriers to treatment and recovery, and thus, make seeking help more readily available to those who suffer from this disease.

SUMNER COUNTY YOUTH SUMMIT

Sumner County Community Drug Action Team in partnership with USD 360, Caldwell Public Schools will be sponsoring the Sumner County Youth Summit on Wednesday, April 19 from 9:30 AM to 1:45 PM in Caldwell. The purpose of this summit is to collaborate and discuss ideas concerning safe and alternative activities and events for students here in Sumner County. Students and sponsors from all over Sumner County have been invited. Working together we can make a difference.

SCCDAT and CASEY'S GENERAL STORES have formed a partnership! Employees from Casey's General Store's in the South Central Kansas region came together for Retailer Alcohol Sales Training on March 29th at the Belle Plaine Community Center.

Mr. Joe Garman, State Enforcement Agent for the Kansas Department of Revenue and Alcoholic Beverage Control gave the presentation to the group. In attendance from the Casey's General Stores were 29 managers, 3 supervisors, and one district manager. It is our goal to continue with this training on a regular basis!
