Dear USD 353 and Wellington Community,

As I mentioned in my last update, I am in discussions with our USD 353 medical panel on Mondays and will be releasing a regular weekly update. After today's discussions, the panel has made the recommendation to remain in the yellow, hybrid model, for the week of October 5-9th.

Again, we appreciate your support and patience as we work together to keep our schools open and our students, teachers, administrators, staff and community safe.

Sincerely,

Adam Hatfield

Superintendent, USD 353
