2020 AVCTL SPECTATOR STATEMENT (12-9-2020)

- KSHSAA activities will allow for attendance of up to two parents/guardians per participant(s) family as allowed by local board of education or health department restrictions.
 - Participants considered could/may include players, coaches, student managers, cheer squads, dance teams, pep bands, and student journalists.
 - Admission will be \$6 per parent/guardian and name must be on the spectator list provided by home and visiting school.
 - Identification may be required for entry.
 - Siblings or children/infants are not allowed to attend.
 - A face covering is required for all in attendance and at all times.
 - The face covering should be worn in the manner it is intended to be worn-covering the mouth and nose.
 - The only exception is provided for athletes during the time they are competing and for officials during active play.
 - Social distancing is to be practiced at all times.
 - Parents/guardians will not be allowed on the court/mat or by locker rooms.
 - Parents/guardians attending basketball games should arrive just prior to the start of their child's game. We ask that you leave the facility at the completion of your child's game.
- Certain events may be more restrictive to parent/guardian attendance such as tournaments and invitationals.

Other considerations to be determined by host school:

- Not starting games until the posted time - this would help assure parents they can arrive "just prior to their child's game", this would also assure non-attendees that the game will not start prior for the live stream
- Marking off the front row - no spectators are allowed to sit in the front row. This gives more separation between the players/officials and spectators. Officials spend a significant amount of time along the sideline during play and during dead ball situations.
- Do we allow parents to leave the venue and return?
- Do we clear the gyms between competitions?
- No concessions or outside food or drinks allowed
- Common "League Masking Message" to be read at all home events
