*Leaders of Innovative Future-Focused Real World Learning*

USD 353 Families,

As we navigate through this constantly changing situation, please know that our USD 353 Special Education staff will be working to meet the services of your students to the best of our abilities. In trying to meet these services through distance learning, we are going to have to be flexible in the delivery and amount of time we serve your student. Communication will be integral in this process. With that being said, if you have any questions or concerns about your student's services please communicate with either the IEP case manager or your building administrators.
