SCCDAT
SUMNER COUNTY COMMUNITY DRUG ACTION TEAM

ENGAGE! EMPOWER! EDUCATE!

- * **ENGAGE** communities, families and youth in partnership to reduce substance abuse.
- * **EMPOWER** youth to make good decisions.
- * **EDUCATE** community members about prevention, awareness, and programs.

SCCDAT receives KAKE TV 'WINS FOR KANSAS' Grant!

The Sumner County Community Drug Action Team was recently recognized as a KAKE TV "WINS FOR KANSAS" recipient. Kiersten Theurer, Drug Free Communities Project Director, and Kori Boyd, PFS Project Director/Grants Coordinator accepted the award on a KAKE-TV telecast in Wichita.

The \$500 grant will assist SCCDAT in providing a scholarship or two for Sumner County graduating Seniors this spring who are active in the Sumner County TEENS NEED TEENS Youth Council led by SCCDAT staff. Kori Boyd is pictured accepting the grant from KAKE TV representatives. Kiersten Theurer is pictured while participating in a live interview on KAKE News at Noon.

Coalition Spotlight: Lucy Schneider

Our December spotlight is SCCDAT's TEENS NEED TEENS Youth Council President, Caldwell senior Lucy Schneider. In addition to playing volleyball and basketball for the Bluejays, Lucy is involved in TSA, FCCLA, FCA, Student Council, NHS, SCCDAT Teens Need Teens, Math Relays, Scholars Bowl, and yearbook. She was recently named one of Caldwell's Kansas Honors Scholars, an honor given to those in the top 10 percent of their class.

After graduating from Caldwell High, Schneider plans to attend Wichita State University and obtain a degree in K-12 physical education. She also hopes to have the opportunity to coach someday, and has a long-term goal of becoming a high school guidance counselor.

Lucy has been a huge asset to SCCDAT for several years and encompasses all that it means to be a leader for her peers. We are proud of you, Lucy!

SCCDAT—Serving all of Sumner County

KANSAS
Communities That Care
Student Survey

SUMNER COUNTY

Fact of the Month

The percentage of students who reported that they have tried electronic cigarettes, e-cigarettes, vape pens, or e-hookahs has increased more than 6% in the past year. This is an area of focus that needs to be addressed!
