

GSK Science in the Summer™

Free summer program for kids

- Explore the role of science, technology, engineering, and math in space through active, hands-on learning.
- Create your own rocket, investigate the stars and discover how to protect yourself in space.
- Learn about STEM careers that can take you to new galaxies.

What is it?

GSK Science in the Summer™ is a fun and free science education program sponsored by GSK for students entering grades two through six. Summer is the perfect time for kids to discover the wonderful and fascinating world of science through hands-on activities!

Tuesday, July 17
9 a.m. - 2 p.m.*

Program location:
Kennedy Elementary
501 North Woodlawn
Wellington, KS 67152
