

Eisenhower Elementary invites you to the
Benefit Soup & Dessert Dinner
Fundraiser for Clyde Jenkins

Clyde Jenkins is married to Amy Jenkins, 3rd grade teacher at Eisenhower Elementary, and together they have two children, Ryan & Kailey. Clyde, who has been battling diabetes for many years, recently contracted a serious infection in the foot. Due to the infection, Clyde had to have the lower part of his leg amputated and is continuing to fight off a separate infection in his arm. He has currently moved from St. Francis Hospital to Our Lady of Lourds rehabilitation center where he will undergo intense therapy and rehabilitation. Clyde and Amy are very involved with the community and need our support. To help offset the medical expenses and assist with the renovations of their home to make it handicap accessible, Eisenhower will be hosting a soup dinner at the Andale/WHS home basketball game! Please come out and show this great family your support!!
