- \* **ENGAGE** communities, families and Youth in partnership to reduce substance abuse.
- \* **EMPOWER** youth to make good decisions.
- \* **EDUCATE** community members about prevention, awareness, and programs.

## SCCDAT Announces Teens Need Teens Scholarship Recipients for 2021

SCCDAT is thrilled to announce that we have selected our **Teens Need Teens Scholarship** recipients for the 2021 graduating class! SCCDAT has been blessed to work with countless students over the years and is so excited at the opportunity to help some of these outstanding students in a financial capacity. These students have done so much for our coalition and our youth council and we are pleased to be able to give back to them! Let us touch on some highlights about our 2021 recipients:

### Olivia Brand

Olivia is a graduating senior from Wellington High School. She has been involved with SCCDAT for 3 years and has been an active role in our youth council. She was active for us in projects such as Sticker Shock, Kansas Youth Leadership Summit, and the Sumner County Youth Summit. She has also been involved in Student Council serving as the Secretary, WHS Leadership Team, National Honor Society, Class President, Superintendents Honor Roll for WHS, and The Dean's Honor Roll for Cowley County Community College. Olivia is a hard worker and we know she will do great things in her future! Her plans are to attend Wichita State University and major in Pre-Medicine. Best of luck to you, Olivia, and thank you for your service to your community through SCCDAT!

### Emma Sturm

Emma is a graduating senior from Caldwell High School. She has been active within SCCDAT for 3 years and has always been willing to jump in and assist with any projects that SCCDAT has focused on. Emma is a quiet leader and has been such a joy to have within our Teens Need Teens youth council. She has also been involved in National Honor Society and the South-Central Border League All-Academic team as a student at CHS. Emma plans to attend Butler Community College and major in Pre-Veterinary Medicine. Thank you, Emma, for being such a great role model in Sumner County and we wish you the best of luck in your next chapter!

*Congratulations to Olivia and Emma for all of their accomplishments. We will miss you on our Teens Needs Teens youth council!*

Student Survey

SUMNER COUNTY

## Fact of the Month

In 2021, 8.62% of Sumner County 6th/8th/10th/12th grade students reported that they had vaped at least once in the past 30 days. This is higher than the Kansas state average of 6.88%.
