

The forecast for Saturday (PROM) remains "WET"! 90-100% chance for showers during WALK-IN! (6PM)

In case of rain, PROM WALK-IN SPECTATORS will enter WHS through the main student entrance to the Commons (Door 12) on the south side of the building, proceed to and then be seated in the AUDITORIUM for the 6PM Walk-In. A "Crusader Alert" will be issued around 4:30PM Saturday, indicating whether WALK-IN will be held indoors or outdoors. (Based on conditions and forecast at that time) Other media outlets most likely, including www.usd353.com and www.wellington.cc will post the Walk-In location info near that time as well.

If it is raining, the Prom ATTENDEES will enter the usual English hall doors (400 Hall) and line up inside the building, out of the rain. At 6PM, the PROM PARTICIPANTS will begin their walk across the stage in the auditorium for all to see. Let the memories and fun begin!
