

SCCDAT NEWS

Our mission: To combine efforts within the community to prevent and decrease drug use, and to increase the known factors that help to reduce the risk for drug, alcohol and tobacco use in youth.

Sumner County Community Drug Action Team

January 2016

“SUP” OXFORD WILDCATS

Oxford Middle School and High School students and staff were able to participate in the Bill Cordes School Unity Project on their own campus in December 2015. Oxford is one of the schools supported by the SCCDAT coalition. The School Unity Project is a one-day retreat for students and is designed to be a follow-up to The YOGOWYPI Experience All School Assembly. The purpose of the program is to allow students to understand each other, build empathy, and learn better ways to treat each other as they walk the hallways of your school. Students participate in several experiences designed to support them in understanding the power of relationships and how relationships work. It is a powerful three hour experience that will pay big dividends in creating a positive school climate for students and teachers. Way to go Oxford!!!

OPERATION BEAUTIFUL

SCCDAT is pleased to be able to partner with other organizations to support OPERATION BEAUTIFUL! Operation Beautiful is not just in our small community, but all over the nation! This is a program that teaches young, teenage girls about self-worth. Girls are taught that no matter what others think or say they are beautiful and enough, exactly the way they are. It is a program that encourages girls to make everybody feel like they are a somebody and strives to end negative

self-talk that occurs within girls at the adolescent stage in their lives. Girls also participate in "No Make-Up Mondays" to prove to others and themselves that they are beautiful on the inside and don't need to wear make-up to prove their beauty. For more information please feel free to contact us at the SCCDAT office and we can put you in touch with the volunteer sponsors of this ongoing activity.

SCCDAT—Serving all of Sumner County
