Dear Parents/Guardians,

We are excited to announce that starting next Wednesday, May 2nd we will be starting "The Knights' Roundtable" time at the middle school. The Knights' Roundtable will take place the last three Wednesday's in May, being (May 2nd, 9th, and 16th) during the morning. During these times students will come to school in the morning and have breakfast, if they eat at school, and have regular morning routine. From the beginning of school (8:00 AM until 8:38 AM) the entire school will be participating in The Knights' Roundtable. All students will engage in enrichment and other school related activities.

We will have an altered schedule with 1st hour classes starting at 8:42, but students are encouraged to still come at regular time for The Knights' Roundtable. Because the high school has a similar schedule, if your student rides with a sibling, it is ok to come when the first hour class starts at 8:42. Tardies will go into effect after the 8:42 start time for first hour. Again, the middle school students are encouraged to come at regular time to take part in the morning activities. We are piloting this Knights' Roundtable in May as a collaboration time for students and staff alike. Our plan is to have this a regular part of our schedule next year to help with school collaboration.
