SCCDAT named Kansas Prevention Connected Community of the Year!

The Sumner County Community Drug Action Team (SCCDAT) was recognized at the first annual Kansas Prevention Conference in Topeka, KS on Wednesday September 19th as the Kansas Prevention Connected Community of the Year! The Kansas Prevention Connected Community of the Year Award recognizes groups who have gone above and beyond in connecting their community in prevention efforts. There are over 100 prevention coalitions across the state, which makes this award even more noteworthy and exciting. Thank you to all of the SCCDAT coalition members who volunteer their time to make our community a better and safer place for our youth!
