Sumner County Community Drug Action Team

Summer 2018

ENGAGE! EMPOWER! EDUCATE!

- * **ENGAGE** communities, families and Youth in partnership to reduce substance abuse.
- * **EMPOWER** youth to make good decisions.
- * **EDUCATE** community members about prevention, awareness, and programs.

April & May were busy months for the coalition!

Coalition members are involved in so many activities. The Town Hall Meeting, D.A.R.E. Camp for all Sumner County 5th grade students, the Lions Quest Community volunteer Interviews, S.A.D.D. Talent Show. Reality U and more. All helping kids make wise choices.

Many thanks to our coalition members throughout Sumner County. This is not something that can be done by any one individual. It takes all of us, working together to make our coalition the success it is for our kids. If you know someone that would like to be a part of this great organization, please invite them to join. Spread the word. We need everyone!

Communities That Care
Student Survey

Summer is here but it's not too early to think about your students participation in the KCTC Survey which requires parental permission! Do you have your permission forms ready for enrollment in the fall?

Resources are available on the kctcdata.org website that include sample parent letters, important facts about the survey, survey administration, the benefits of the survey, and much more. If you can't find what you want on the website, Nancy White from Greenbush would be happy to answer your questions. You can contact her by email or by phone: nancy.white@greenbush.org 620.724.6281.
