

It is hard to believe the year is about to come to an end, and it is time to start thinking about opportunities available at the completion of the regular school year. WHS will have Summit extension beginning Tuesday May 28th through Friday June 21st. The hours will be from 8-11 am then again 12-3 pm. The high school will not serve lunch, that will be the student's responsibility. This is not a mandatory extension, rather an opportunity to continue work on the platform or increase grades if students are not satisfied with the grade they ended with. If you have any questions, please feel free to call 620-326-4310. We hope everyone has a fantastic summer and we look forward to the upcoming year.
