

A message from www.wellington.cc / the **Crusader Website since Fall '99!**

This upcoming school year marks the 21st year for the Crusader Website that I began as a hobby and it continues as a hobby, to promote local student-athletes, local students, and raise scholarship \$\$ in the meantime for graduating seniors each Spring. There has been some success with all of that over the past 20 years and it's been FUN!

I'm looking forward to another great year as the Crusader Website begins it's 3rd decade of BIG RED coverage. Here's what you can expect between now and next summer!

*** Continued complete coverage of all WHS events**, both athletic, fine arts, and academic! (the best I can!)

*** Vinyl Banners and regular posters will be offered** for your consideration again.

*** I will begin my 2nd year with the new KWHS Newscast Team** – a lot of new kids this year – looking forward to the daily get-togethers with some of WHS's finest!!

*** 12 of the past 20 years**, in addition to photo coverage of many high school events, I've also provided photo coverage of quite a few middle school events. Due to the additional responsibilities with the KWHS project and the reality the knees aren't working quite as well as they were back in '99, I'll need to cutback on the middle school **photo coverage** of sporting events. I will continue to cover (with photos) other middle school events such as band or choral concerts, classroom projects, certain assemblies, etc. I will also continue to post scores of all the middle school sports events when sent my way.

*** Whereas I do not receive compensation from the school district** for the wellington.cc website, I do get compensated for assisting with the USD353 website and I will continue to provide coverage of the elementary schools, the middle school and the high school, the district as a whole, via that website. **IT'S GOING TO BE A GREAT YEAR!!**
