USD 353 Mode of Operation Process

-Track and Monitor Data Weekly:

- 1.) The data includes state, county and local numbers regarding COVID-19 cases and trends as well as data from USD 353 schools.

-Consult with USD 353 Medical Panel Each Monday:

- 1.) The Medical Panel includes medical professionals who have children attending school in the USD 353 district. The USD 353 Medical Panel members are:

- Dr. Shana Jarmer
- Dr. Lacie Gregory
- Kelsey Curry-Swingle, APRN
- Holly Parkey, RN, USD 353 Nurse
- Lexie Klausmeyer, RN
- Megan Cook, DNAP, CRNA
- Laura Rettig, Sumner County Health Department

- 2.) The Medical Panel is presented with data to compare to the KSDE Gating Criteria. The KSDE Gating Criteria can be viewed [here](#). They use this data and gating criteria as well as other determining factors to make a recommendation to the Superintendent.

-Communicate Weekly:

- 1.) BOE receives final recommendation from the Superintendent
- 2.) USD 353 employees are informed
- 3.) USD 353 students, parent/guardians and community is informed
