

Dear WHS Parents/Guardians/Students:

We hope this letter finds you well and you are all being safe during this unusual time that we are all experiencing. We miss all of our students and will continue to provide the best educational experience that we can via online content. We are aware that several students may have left items in their lockers, classrooms, etc and want to be able to provide students time in order to retrieve those items. We are doing our best to be in accordance with a maximum of 10 people in any given space. Below you will find a schedule for students to come and pick up items at the school. Please note that students should only come to the building during your scheduled time and this will be the last time this school year that students will be allowed to enter the building.

We will be sending further information out as to the plans that will begin next week as students continue their learning in a virtual environment and know that we are here to answer any questions. We thank you in advance for your patience and cooperation as this is new territory for all of us and we will be learning together. We will continue to do what is best for students both educationally and socially during these times.
