

## Attention Wellington Baseball Fans!

The purpose of this notice is two-fold.

**Number one:** to say THANK YOU for using the Dillons Gift Cards to support Wellington Baseball. Through these efforts, over \$10,000 has been raised during the past 3 years; funding facility improvements and replacing worn-out equipment for the program – at no cost to the participants!

**Number two:** to let you know that Dillon's is making changes to the program, dropping the gift card and replacing with their Plus Shoppers card. What this means is that you will no longer need to "load" a gift card in order to support the program, as Dillons will track your purchases (and subsequent contribution) through their Plus Shoppers card. Since you probably already have a Plus Shoppers card, in most respects the new program will actually be easier. **In essence, Dillons will award Wellington Baseball 5% of your total \$\$ spent every time you visit and make purchases at Dillons.**

The time-line of transition to the new program is as follows:

**You can enroll your Plus Shoppers card NOW** or alternative ID (telephone #) in the program by going to [www.dillons.com](http://www.dillons.com). This is a 2 step process.

**Step 1** - In the upper right hand corner are 2 buttons, one that says Register and another that says Sign In. If you don't have an online account with Dillons, you need to Register to create an account. This is an easy process, and only requires your email address and a password (which you provide). Once you have done that, you can add your Plus Shoppers card # or alternative ID to your account. If you already have a Dillons online account, you can skip this step and go to Step 2.

**Step 2** – After you have an online account setup, you click on the Community link from Dillons home page, and then click on Community Rewards. Sign in with your online account email and password. Click on Enroll Now. Find the name of our organization (Wellington Community Foundation) or **Search using our ID # 10509** and select. Then click the Enroll button at the bottom of the page.

**As a bit of background**, the Wellington Community Foundation is the organization which provides the IRS tax exempt number which is required to participate in this program, which is why their name is listed.

January 31, 2015 – was the last day in which gift cards could be re-loaded and the benefit be passed on to Wellington Baseball. Any remaining balance on the card is still usable for purchases at Dillons.

**Usage of the Plus Shopper's card to benefit Wellington Baseball began on Feb. 1, 2015** and like its predecessor, will earn benefit for Wellington Baseball.

One of the changes with the new program is that you will need to re-register your Plus Shoppers card on Dillons website on a yearly basis. This is not something you need to worry about now, but wanted you to be aware down the road.

**If you have any questions about this matter** or need assistance getting "signed-up", please let Alan know. Thanks!
